A VILLAGE PROJECT TO BE PROUD OF

The pub renovation is coming on leaps and bounds, we are sure you will have noticed changes happening. This is a great achievement for Skelton and hundreds of Volunteer hours have been kindly donated. Apart from the essential trades (electrics and plumbing) everything has been done by a team of loyal, dedicated and professional volunteers.

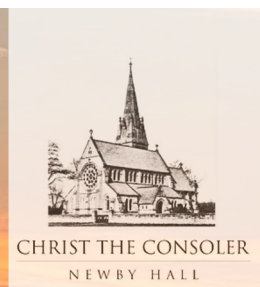

We live in a highly skilled community. And we are extremely grateful to them. The weekly tasks will be changing soon, not as much clearance, more putting things back together, we will need help with decorating soon - bring a paintbrush! We very much hope you will support our efforts and join us for our first event. Details below. We are looking for Raffle prizes please. These can be left with Alan or Jane.

QUIZ NIGHT / OPEN EVENING ON FRIDAY 4TH OCTOBER AT 7PM.

Join us for an evening of food, drink, music, and brain-teasing fun! Tickets are £7.50, which includes your first drink. A fish and chip van will be on site before the quiz begins (at your own cost). Due to ongoing construction, tickets are limited, so book early to avoid disappointment. You can email treasurer@skeltonblacklion.com to secure your ticket. Or see **Alan Rayner** or **Jane Mosley**

NEWBY HALL CRICKET CLUB

This season has been a turnaround year for the Club, ending in a **big win in the final game of the season!** The team finished **6th in Division 4 of the Nidderdale League** - two places better than in 2023.

2024 wasn't just a year of improvements on the pitch - the club also improved its facilities and recruited several new players. There has been **great support from the village** this year, both at the bar (!), holding events at the club & sponsorship. We would like to offer our thanks to everyone involved.

Plans are well progressed for further improvements in 2025, **launching a 2nd XI on a Saturday and re-launching Juniors.** Alex Drummond and David Pearson have offered their support, and Chairman Steve Potter and the other committee members are looking forward to welcoming them and even more residents to the club.

For further information please contact **Steve Potter via Facebook.**
